ORDER NO. 2

ORDER APPROVING TARIFF SHEET

BY THE COMMISSION:

We suspended the revenue requirement, lead-lag study, cost of service study, and rate design study designated as TA909-2 filed by Alaska Power Company (APC) for further investigation. We granted its request for interim and refundable rate increases, established the interest rate on refunds, and approved proposed tariff sheets.¹ On October 4, 2023, we returned the validated tariff sheets to APC.² On October 6, 2023, APC submitted a notice of filing a corrected Tariff Sheet No. 107 under 3 AAC 48.320(e)

¹Order U-23-054(1), *Order Suspending TA909-2, Granting Request for Interim and Refundable Rates, Establishing Interest Rate on Refunds, Approving Tariff Sheets, Inviting Participation by the Attorney General and Intervention, Scheduling Prehearing Conference, Addressing Timeline for Decision, Designating Commission Panel, and Appointing Administrative Law Judge*, dated September 28, 2023, as corrected by Order U-22-054(1E), *Errata Notice to Order U-22-054*, dated October 2, 2023 (Order U-23-054(1)).

²General Correspondence for Alaska Power Company, dated October 4, 2023.

1 with a proposed Tariff Sheet No. 107.³ APC states it mistakenly left out a single number
2 on the tariff sheet: the interim energy rate of \$0.1291 per kilowatt hour for Bulk Power,
3 Large Customers in Rate Group 1; Haines/Skagway under the column titled “Energy rate
4 per kilowatt hour.” APC states that the number omitted from Tariff Sheet No. 107 was
5 listed elsewhere in TA909-2, at Schedule 6-4, page 75 of 77 on line 22.⁴

6 In Order U-23-054(1), we approved on an interim and refundable basis the
7 energy rate of \$0.1291 per kilowatt hour for Bulk Power, Large Customers in
8 Rate Group 1; Haines/Skagway. Therefore, we approve Tariff Sheet No. 107 filed
9 October 6, 2023, by APC. The effective date of Tariff Sheet No. 107 is October 17, 2023.

10 The validated tariff sheet will be returned under separate cover.

11 DATED AND EFFECTIVE at Anchorage, Alaska, this 17th day of October, 2023.

³A filing under 3 AAC 48.320(e) is required to comply with 3 AAC 48.220 and 3 AAC 48.270. Under these particular circumstances, we find that APC filing the revised interim tariff sheet into the rate case docket was appropriate. Therefore, under 3 AAC 48.805, we waive the requirements of 3 AAC 48.220 and 3 AAC 48.270.
